PERSONAL BRAND STATEMENT

User Experience (UX) and User Interface (UI) Designer with a background in Elementary and Early Childhood Education. My educational background provides a strong foundation to support my admiration of learning and teaching others. The user experience is similar to the experience of attending Elementary School; explicit, clear, and concise directions help the individual get to their intended goal.

TECHNICAL SKILLS

User Testing, User Research, Competitor Analysis, User Persona, Sitemapping, Card Sorting, UI Style Guide, Information Architecture, Page Layout, Prototyping, Project Management, Atomic Design, HTML, CSS, JavaScript, Jquery, Bootstrap, GitHub, Trello, Figma, InVision, Miro, Adobe XD, Collaborative Problem Solving

PROJECTS

Studio 107 Website | https://github.com/KyleighN/BRF-Studio107
- Created a bootstrap website with a group of three other classmates from scratch. My group and I had three weeks to create a website including research, interviews, design, prototype, and coding.
- The core responsibilities for this project were coding the website, giving ideas for design, feedback on Figma clickable prototype, and communicating with the stakeholder.
- Bootstrap, HTML, CSS, JavaScript, Figma, Visual Studio Code, GitHub, FigJam, Google Suite, Slack

DHS ReDesign | https://knandory14.wixsite.com/my-site/dhs-redesign
- The Department of Homeland Security was redesigned to be responsive in three weeks in Figma. Navigating and making the website user-friendly was the main focus of this project.
- Interviewing, analyzing feedback, and designing a clickable prototype in Figma were key responsibilities

Non-Profit ReDesign | https://knandory14.wixsite.com/my-site/midtown-greenway
- Created a redesigned website for a local non-profit. In this redesign, we prioritized the main stakeholder goals and used a user persona to ensure the users' needs were also met.
- The core responsibilities were to sketch a design frame and create the mobile mock-up.
- Figma, FigJam, Trello, Google Suite

RELEVANT EXPERIENCE

Student Success Desk Assistant | Winona State University**,** Winona, MN **|** 2015 – 2018
